

Sponsor and Support International Students!

Dear Friends and Industry Leaders,

Cultural Homestay International, a non profit leader in International Student Exchanges for 40 years, is proud to host the fourth annual CAA Forum in Washington D.C. to encourage and celebrate cultural diversity and promote cross cultural understanding.

The CHI Cultural Ambassador Award honors the students who demonstrate a profound understanding of the positive impact of cultural diversity. **Our CAA Forum comprises a 3-day trip from August 23rd-27th in Washington D.C. to engage with officials from the US State Department, volunteer in the community, build international connections, and to witness the historic aspects of the city.** CHI put this experience together because we believe cross-cultural exchange to be vital for building character and leadership skills. We are searching for future leaders who desire the betterment of their communities and the world.

Cultural Ambassador Award is open to participants of all of our programs, as well as American colleagues who work closely with our J-1 participants asking to show us how they are sharing American culture and how exchanges have impacted them. In 2020 we are extending the eligibility to Alumni of all of our programs and excited to see how their lives have changed since completing the exchange.

We invite your company to become a recognized sponsor. Through your partnership with CHI you will gain international exposure and make life time cross-cultural friendships. Any donation is meaningful and welcome and will gain your company more visibility.

Suggested sponsor options:

Bronze level: \$25-\$100 Recognition on CHI web-site

Silver level: \$101-\$500 Recognition on web-site and promotional materials

Gold level: \$501-\$1,000 Recognition on web-site, promotional materials and signage at event
